MALAYSIAN ECONOMIC STATISTICS REVIEW (MESR), VOLUME 11/2025

Steady domestic demand, rising trade, and stable prices support sustained growth across key sectors

The **Malaysian Economic Statistics Review (MESR) Volume 11/2025** edition highlights the economic performance for the third quarter of 2025, the latest statistics released in September 2025, and selected releases for October 2025. A key feature is the article titled “An Overview of Malaysia’s Building Materials Prices and Construction Sector In 2024”, which examines Malaysia’s steel and cement markets and shows stable prices despite global pressures, supported by strong construction demand.

This MESR will assist users in having the latest information on economic performance in detail.

The full publication of the MESR Volume 11/2025 can be downloaded through [eStatistik](#) portal.
