**PRICES**

## **Inflation Eases and Labour Market Improves: A Positive Outlook for Malaysia's Economy**

MESR Volume 7/2023 focuses on the recent statistics released in May 2023 and some forthcoming statistics for June 2023. This edition also features an article titled "Study on the Relationship Between Currency Exchange Rates and Export-Import Value" which looks into the relationship between the two variables using descriptive statistics as well as determine the magnitude and direction of the variables by adopting correlation analysis.

This MESR will assist users to have the latest information on the economic performance in detail.

The full publication of the MESR Volume 7/2023 can be downloaded through [eStatistik](#) portal.
